

SUMMARY

As a recent graduate and aspiring web developer, I bring a strong foundation in HTML, CSS, JavaScript, and React JS. Eager to contribute my technical skills and passion for crafting visually appealing and responsive websites, I am actively seeking a dynamic entry-level role to further develop my expertise and contribute to innovative projects. I am excited to apply my knowledge to create engaging online experiences. I am adept at collaborating within a team and committed to continuous learning in the ever-evolving field of web development.
